

Information we collect

When you submit our offer form, we collect your name, phone number, email address (optional), and the address of the property you're selling. We also automatically collect basic technical information such as your IP address, browser type, device type, referring URL, and pages visited, through analytics tools (Google Analytics, Meta Pixel, PostHog).

How we use your information

We use your contact information to respond to your offer request, schedule a walkthrough, present a cash offer, and coordinate closing. We use technical and analytics data to understand site performance, improve user experience, and measure the effectiveness of our advertising.

Sharing your information

We do not sell your personal information. We share information only with service providers who help us operate the business (CRM, analytics, hosting, advertising platforms) and with title companies and attorneys involved in closing your transaction. We may disclose information if required by law.

Your choices

You can opt out of our marketing communications at any time by replying STOP to text messages or unsubscribing from emails. You may request access to or deletion of your personal data by contacting us at hello@heartlandacq.com.
